With this second enterprise, the owners of the Brooklyn eatery Bedouin Express have deepened their root in the borough, though their boasting about "The Finest Middle Eastern Cuisine in Fort Greene" might be presumptuous, we can't disagree.

Black Iris's spinach and cheese pie starter, a Middle Eastern take on the calzone, is lighter and less greasy than its Italian counterpart. The chicken ouzi, a house specialty is a hearty phyllo pocket filled with small chunks of grilled chicken breast, carrots, almonds, raisin and rich basmati rice
